

AGE OF ABSOLUTISM (CH 16)

Monarch Résumé

Directions: You will choose one of the monarch we have been discussing in Chapter 16 in Global History. You will research that person's life and create their résumé. I have given you the résumé of Henry IV, another famous person in world history, to model yours after. You may use your own template for the résumé; you don't have to use the example of Henry's.

A résumé is a piece of paper that tells a prospective employer about a job-seeker — who they are, what experience they have, and why the employer should hire this person.

Do the research of the monarch on Thursday, 12/8 and create the résumé on Friday, 12/9. We will be in the computer lab both days in class. The completed résumé is **due on Monday, 12/12/10.**

Your choices to research & create their résumé:

Spain

Charles V
Philip II

France

Louis XIV

Russia

Peter the Great
Catherine the Great

England

Mary I
Elizabeth I
James I
Charles I
Oliver Cromwell

Each Résumé should include the following as shown on your example:

****A picture or painting** of the monarch at the top of your paper.

1. **Monarch & name of Palace** where spent most of time.
2. **Objective in life:** what do they want to accomplish for their country & personally? Quote of that monarch would be helpful, too.
3. **Experience:** what makes that person qualified to be a monarch?
4. **Accomplishments:** what have they done for their country for which they will be remembered? What are they proud of?
5. **References:** at least 3 people who can vouch for the character of that monarch. These people should know the monarch & can testify to their ability to rule but should NOT be related to the monarch (no parents or spouses).
